

**We Hire the Right
Candidate the First Time**

Did you know 74% of hiring managers say they have a hard time filling sales roles?*

We Can Help.

Amplify has **extensive experience recruiting for sales and sales leadership positions**, and we know how to enhance your sales team.

The Amplify Recruiting Difference

When you combine the sales leadership experience of your dedicated recruiter and research with the company knowledge of your Fractional VP of Sales, you leverage the **strongest, most customized sales talent acquisition team possible to find your perfect sales candidate.**

Our 5-Step Approach to Hiring Top Sales Talent Sets Us Apart

We know what to look for, the questions to ask, the responses we need to hear, and the skillset required for success in each sales position.

Discovery Call. We know your position is unique – that's why we gain an in-depth understanding of the specific needs of your open position.

Specific, Targeted Lists. We'll source candidates by geography, job title, and industry and target them using social media and networking referrals.

Qualify and Screen. We screen the candidates against your hiring criteria, and then provide you with a customized presentation of candidates to review.

Candidate Selection. Let us coordinate candidate interviews and facilitate the hiring process. Our Candidate Status Reports will keep you informed of the status of each candidate.

Candidate Process Offer. We'll prepare offer letters on your behalf and conduct background checks, drug screens, and reference checks.

Save Money. No Surprises.

Amplify Recruiting will save you up to 95% on recruitment costs, without limiting your position requirements. We offer four fixed-fee tiers including recruitment for administrative, professional, management, and senior leadership positions, allowing you to calculate costs up front and budget accordingly.

We guarantee a qualified hire for your open position. The first time.
